Remarks:

Subject: realization of an innovative project implemented under contract No. UDA-RPSL.01.02.00-24-0698/16-00 titled "Elaboration, commercialization and implementation of innovative seal designed for water turbines".

Please be advised that the only criterion for the offer evaluation is the price (100% impact). The requirement to receive drawings of sliding rings is to have a current confidentiality agreement with our company or sign it.

The choice of the supplier will be made based on the price including the cost of transportation to ANGA and any customs duties and other costs provided by the offeror.

The deadline for submitting offers is 08/08/2019 at 24:00.

The offer should include information about the delivery time.

Please be informed that sending the offer is not tantamount to receiving the order from our side.

Please call our inquiry number on your offer.

It is possible to submit partial offers.

Offers and any additional questions should be provided personally or sent by traditional post or to the following e-mail address: pkociolek@anga.com.pl.

Piotr Kociolek
